JAPAN.

Reports from Yokohama—Inspection and fumigation of vessels—Smallpox.

Passed Assistant Surgeon Cumming reports, February 25:

Week ended February 22: Bills of health were issued to five steamships leaving this port for American ports with an aggregate personnel of 624 members of crews, and 44 saloon and 382 steerage passengers.

All members of crews and all steerage passengers taken on here were bathed and vaccinated. Their effects were disinfected and labeled.

The steamship *Saint Patrick*, bound hence for New York, was fumigated and personal effects and bedding were disinfected.

There have been 64 cases of smallpox, with 16 deaths during the week. Tokyo is infected as well as the rural districts.

Emigrants recommended for rejection.

Number of emigrants per steamship *America Maru* recommended February 4 for rejection: For Honolulu, 7; advised to wait, 26.

Per steamship *Malte* February 15: For Honolulu, 1; advised to wait, 11.

Per steamship *China* February 19: For Honolulu, 2; advised to wait, 14.

Per steamship *Shinano Maru* February 19: For Seattle, 2; advised to wait, 24.

Per steamship *Manchuria*: For Honolulu, 1; advised to wait, 16. Examinations and detentions were for trachoma.
